Brit. J. prev. soc. Med. (1974), **28**, 281-283

INDEX TO VOLUME 28, 1974

Page numbers followed by *P* refer to summaries of papers read at the Annual Meeting of the Society for Social Medicine

ABO blood groups, lipoprotein types, and serum cholesterol, 60
ACHESON, E. D., ALLISON, S., EDWARDS, W. R., and WRIGHT, R.: A study of breast cancer on the Isle of Wight, 70, *P*
ADELSTEIN, A. M., *see* DONOVAN, J. W., and ADELSTEIN, A. M.
Adenotonsillectomy, investigations to evaluate, review, 1
ADLER, M. W., WALLER, J. J., DAY, I., KING, C., and THORNE, S. C.: Randomized controlled trial of early discharge for inguinal hernia and varicose veins, 67, *P*
Alcohol, factors associated with undergraduate use, 248
ALLISON, S., *see* ACHESON, E. D. *et al.*
ANDERSON, M., *see* THOMPSON, M. *et al.*
Anencephalus and spina bifida, incidence and variation in risks according to parental birthplaces in three Australian states, 66, *P*
— and potato blight in Republic of Ireland, 81
— twins and neural tube defects, 73
ARMSTRONG, B., and DOLL, R.: Bladder cancer mortality in England and Wales in relation to cigarette smoking and saccharin consumption, 229
ASHFORD J. R. *see* PETHRBRIDGE, R. J. *et al.*
ASHWELL, M., and ETCHELL, L.: Attitude of the individual to his own body weight, 127
ATKINSON, A. B., and SKEGG, J. L.: Control of smoking and price of cigarettes—a comment, 45
ATKINSON, S., and BARKER, D. J. P.: Henoch-Schönlein purpura in Southampton, 66, *P*
AYLETT, M. J., ROBERTS, C. J., and LLOYD, S.: Neural tube defects in a country town. Confirmation of clustering within a particularly small area, 177

BADLEY, E. M., BALL, J., and WOOD, P. H. N.: Rheumatoid factor, so-called—what does it portend for the population? 71, *P*
BALL, J., *see* BADLEY, E. M. *et al.*
BARKER, D. J. P., and GARDNER, M. J.: Methods of analysis of symptom patterns, 65, *P*
— — Distribution of Paget's disease in England, Wales and Scotland and a possible relationship with Vitamin D deficiency in childhood, 222
— *see also* ATKINSON, S., and BARKER, D. J. P.
BEAN, P.: Patterns of self poisoning, 24
BECH, H., *see* ROGERS, P. *et al.*
BEWLEY, B. R., BLAND, J. M., and HARRIS, R.: Factors associated with the starting of cigarette smoking by primary school children, 37
Biliary disease, prevalence of gallstones in relation to differing treatment rates, 264
Birthweight, distribution, human infants, 10
BITHELL, J. F., *see* DRAPER, G. J. *et al.*
Bladder cancer mortality in England and Wales, relationship to smoking and saccharin consumption, 229
BLAND, J. M., *see* BEWLEY, B. R. *et al.*
BLOOR, M. J., *see* VENTERS, G. A., and BLOOR, M. J.
BOURKE, G. J., *see* MASTERSON, J. G. *et al.*
Breast cancer, preliminary report of a survey on Isle of Wight, 70, *P*
BRENNAN, M. E., *see* OPIT, L. J., and BRENNAN, M. E.
Bronchitics and non-bronchitics, mutually exclusive groups in males, 156

CALNAN, M.: Accidental child poisoning and health education, 67, *P*
CARNEY, A., *see* HOBBS, M. S. T. *et al.*
CARTER, C. O., *see* EVANS, K. *et al.*
CASH, J. D., *see* SPENCELY, M., and CASH, J. D.
Cervix, uterine, effect of cone biopsy on subsequent reproduction and outcome of pregnancy, 65, *P*
CHAMBERLAIN, J., *see* ROGERS, P. *et al.*
Cholesterol, serum, lipoprotein types, and ABO blood groups, 60
Cigarettes, price and consumption, case for intervention? 237
CLAYTON, D. G., EPSTEIN, L. M., and MORRIS, J. N.: The risk of coronary heart disease: a study of the relationship between vigorous exercise in leisure time and other risk factors, 65, *P*
COLLEY, J. R. T.: Obesity in schoolchildren, 217
Cone biopsy, of uterine cervix, effect on subsequent reproduction and outcome of pregnancy, 65, *P*
Contraceptive(s), oral, accuracy of recall of histories of use, 269
— reliability of reporting by women taking part in prospective study, 104
COOPER, B., and SHEPHERD, M.: Evaluation of social work in the mental health field, 67, *P*
Coronary heart disease, risk, relationship between vigorous exercise in leisure time and other risk factors, 65, *P*
CROMBIE, D. L., *see* FARMER, R. D. T. *et al.*
CROSBY, D. L., *see* WEST, R. R. *et al.*
CROSS, K. W., and TURNER, R. D.: Factors affecting the visiting pattern of geriatric paitents in a rural area, 133
— — Patient visiting and the siting of hospitals in rural areas, 272
— *see also* FARMER, R. D. T. *et al.*
CROWLE, P. M.: An analysis of the efficiency of a rhesus haemolytic disease prophylaxis programme, 101
CZEIZEL, A., SZENTPETÉRI, J., and KELLERMANN, M.: Incidence of congenital dislocation of the hip in Hungary, 261

DAVID, T. J., and O'CALLAGHAN, S. E.: An epidemiological study of oesophageal atresia, 172
DAVIS, K. WILSON-, *see* WILSON-DAVIS, K.
DAY, I., *see* ADLER, M. W. *et al.*
Death, sudden unexpected, in infants in Oxford Record Linkage Area, mother's social and biological background, 93, details of pregnancy, delivery, and abnormality, 164
Dialysis, *see* Haemodialysis
District nurses, and general practitioners, referral patterns, Aberdeen, 187
DOLL, R., *see* ARMSTRONG, B., and DOLL, R.
DONNELLY, J., *see* VESSEY, M. P. *et al.*
DONOVAN, J. W., and ADELSTEIN, A. M.: Multiple-cause analysis of deaths of patients treated with radio-iodine, 69, *P*
DRAPER, G. J., HEAF, M. M., and BITHELL, J. F.: Occurrence of childhood neoplasms in sibships, 69, *P*

EDWARDS, W. R., *see* ACHESON, E. D. *et al.*
EPSTEIN, L. M., *see* CLAYTON, D. G. *et al.*
ETCHELL, L., *see* ASHWELL, M., and ETCHELL, L.
EVANS, K., HICKMAN, V., and CARTER, C.O.: Handicap and social status of adults with spina bifida cystica, 86
Executive Council lists, and general practitioner files, accuracy, comparison, 49

FABIA, J., and THUY, T. D.: Occupation of father at time of birth of children dying of malignant diseases, 98
Factor VIII replacement in treatment of haemophilia, A: simple illustration of need-supply-demand spiral, 71, *P*
FARMER, R. D. T., KNOX, E. G., CROSS, K. W., and CROMBIE, D. L.: Executive council lists and general practitioner files, 49
FEDRICK, J.: Sudden unexpected death in infants in the Oxford Record Linkage Area: The mother, 93; Details of pregnancy, delivery, and abnormality in the infant, 164
FIELD, B., *see* HOBBS, M. S. T. *et al.*
FREESTONE, D. S.: Programmes for the prevention of rubella during pregnancy by active immunisation, 254
FROST, C., *see* MASTERSON, J. G., *et al.*
FRYER, J. G., *see* PETHYBRIDGE, R. J. *et al.*

Gallstones, prevalence in relation to differing treatment rates for biliary disease, 264
GARDNER, M. J., *see* BARKER, D. J. P., and GARDNER, M. J.
General practice, economics, England, 203
General practitioners, and district nurses, referral patterns, Aberdeen, 187
— files, and Executive Council lists, accuracy, comparison, 49
General hospital psychiatric unit and mental hospital, comparison, 140
Geriatric patients, rural area, factors affecting visiting pattern, 133
GLASS, N.: The economics of general practice in England, 203
GLASS, N. J., and RUSSELL, I. T.: Cost benefit analysis in the health service—a case study of elective herniorrhaphy, 68, *P*
